Dear Jennifer,

Welcome to our first newsletter! So much is going on in the news and in our lives that many people are feeling stress or wondering what to do. This periodic newsletter will provide practical information that you can use and share.

You are welcome to forward it to your friends and family, and encourage them to sign up and get their own copy! Check out the "Name the Newsletter" contest because you may have the name that brings home the prize!

Living Life After Foreclosure

Millions of families have faced the horrors of foreclosure. Throughout the month of July, we are hosting "*Conversations About Life After Foreclosure*". Families all across the country are invited to participate, so forward this info to everyone you know!

[Forward this issue](#)

Families living in the Baltimore/Washington area can participate in person on Monday, July 20, 2009 at 6 p.m. at the Anne Arundel County Library at 3501 Russet Common in Laurel, MD, which is just off BW Parkway at Rte 198 West. Refreshments will be served.

Families outside the area or who cannot attend on July 20th can participate by telephone or through a short online survey. Full details and more are available at www.PostForeclosureHelp.org

Money Minute: Christmas in July

Ahhh the holidays! Most of us enjoy those times with our family and friends. Following this Money Minute will help put the "Merry" in your Christmas this year!

At the end of every day, from now until November, take all the loose change and one dollar bills out of your purse or wallet. Put the change in an empty jug or shoebox and put the dollar bills in a drawer. Let your coins and dollar bills accumulate...resisting the temptation to touch them!

By November, you will be amazed at how much cash you will have accumulated for your holiday shopping! If you choose, you can open a separate bank account to deposit the accumulating cash and coins into each week.

Starting your family's Christmas this July will help make this year be a very Merry CASH Christmas!

Thanks for reading our first newsletter and for sharing it with your family and friends! [Click here](#) to give us feedback and suggestions for future newsletters. We'll see you next time!

Sincerely,

Jennifer Matthews
